Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

In accordance with the Applicant's duty to disclose information which may be material to the examination of this application, Form PTO-1449 (modified) is attached hereto setting forth several documents, including those cited in an International Search Report of the Applicant's corresponding PCT Patent Application. A copy of the International Search Report and the documents listed on the enclosed Form PTO-1449 (modified) are also enclosed. The Examiner is respectfully requested to consider this Information Disclosure Statement on the merits before issuing the next Office Action.

German Patent Document Nos. 26 52 101 and 43 32 504 A1 are in German, while French Patent Document No. 2 237 386 is in French. An English translation of each foreign-language document is enclosed herewith. For additional information regarding the relevance of each of these patent documents, please see the enclosed copy of the International Search Report for the Applicant's corresponding PCT Patent Application.

The citation of these documents noted in the attached Form PTO-1449 (modified) should not be deemed as an admission that they are necessarily relevant to this application or that they are necessarily prior art to this application. The Applicant reserves the right to assert that these documents are not relevant and/or not prior art if and when the need to do so may arise.
